

Follistatin-344 vs IGF-1 LR3 Research Comparison

OligoPoly Laboratories Research Library

This PDF is a downloadable research-library reference generated from the live OligoPoly Laboratories documentation system.

It is not a Certificate of Analysis, laboratory result, purity claim, or substitute for product-specific batch documentation.

Research products are for laboratory research use only. Not for human or animal consumption.

Use the COA Center, Batch Verification portal, and product documentation pages for product-specific review.
